Mayor Polimeni opened the public hearing at 7:01 P.M.

Natalya Hennings, Chapin St., had concerns about where the City property codes are. Has searched our code and did not find anything about property management. Talked to the City Manager and Mayor and was surprised to learn that we did have property management codes and was told the City adopted NYS' s Uniform Codes. Has sent several pictures to the City of rental properties around her property with many property maintenance issues. Although she has brought this to the attention of Code enforcement many times the issues still remain.

Mayor Polimeni had Corporation Counsel Terence Robinson explain that this particular ordinance is about changing the method of mailing of required notices by the City from certified mail to regular mail.

City Manager John D. Goodwin stated that many of the issues have been addressed by Code Enforcement or in process of being resolved. She would like a link to the property codes on the NYS website.

Mayor Polimeni closed the public hearing at 7:14 P.M.
